

AM I A HIDDEN APPRENTICE?

ARE YOU WORKING?

If you are working in a skilled trade, supervised by someone with a Red Seal or ITA "ticket", and being paid for your work, you might be a Hidden Apprentice.

Even if the work is with a relative, neighbour, or family friend, you might be a Hidden Apprentice.

IS YOUR JOB A SKILLED TRADE?

Visit the ITA website using this QR code to look up more than 100 trades. If you're working in a skilled trade, you can turn that work into an apprenticeship, start earning hours toward your Red Seal, and get credits toward graduation.
