

PUBLIC'S RIGHT TO KNOW

The minutes of Board and public Standing Committee meetings, the financial accounts of the District, and other non-confidential records of the Board are public documents. They are in the custody of the Office of the Secretary-Treasurer and available to the public upon request during regular business hours.

Confidential records are not open to the public. These include staff and student records, minutes of private Board and Standing Committee meetings, and records pertaining to matters discussed in private sessions, such as records pertaining to security matters, collective bargaining, personnel or student disciplinary action, real estate dealings, third-party business information, any information of a personal nature the disclosure of which would constitute an unwarranted invasion of personal privacy, or any records that are exempted from disclosure under the *Freedom of Information and Protection of Privacy Act*, or any provincial or federal statute.
