Date: _____

## Vancouver Board of Education and the Indigenous Education Department Live Streaming and Video Recording Consent and Release Form

The **Indigenous Education Department** will be hosting a virtual Drum Across the World event on June 21, 2023. We are seeking your consent to share your teaching and or drum recording at our virtual event on June 21St. **Please include the following information with each video submitted.**

Name of Song, Name of group or person singing, the name of your traditional territory or where your school is located, and finally contact name/address/phone number of person or people submitting the video.

For the purposes of the Drum Across North & South America event **The Indigenous Education Department** is seeking your consent to collect and share your video recordings, with all our Vancouver School District students and staff for educational purposes.

All videos will be collected and stored with the **Indigenous Education Department**. These videos will be used to educate our students as well as to celebrate your nations through song! The public will be able to view this event only if registered through our department. The video recording of this celebration will only be shared within our school district!

**Please check off the following two questions:**

**A.** _____ All students and or children that appear in this video were given consent from their parents and or guardians to participate.

**B.**_____ I/We give consent that the video can be used by the VSB for Educational purposes, only within the school district.

**C.** *Please complete, sign, and return this form to* ***dmarsden@vsb.bc.ca***
