GENERAL \$35.00 SUPPLY FEE

The Vancouver School Board offers the service of purchasing basic school supplies in bulk at wholesale prices and passing the cost savings on to families. The School Supply Fee for David Oppenheimer is \$35.00 per student.

This fee covers basic consumable school supplies used for students' personal use such as paper, writing tools, glue sticks, erasers, exercise books and art supplies. Supplies are provided for the full year. The advantages of the Board providing families with supplies include convenience, cost savings through a one-time fee, and the standardization of supplies used in the classroom.

While parents and/or guardians are free to purchase school supplies for students and not pay this fee, please know that the \$35 school supplies fee does provide the necessary school supplies at a cost which is less than one would pay if these items were purchased independently.

SUPPLEMENTARY FEES

Student Agenda/Planner – \$8.00 Divisions 1-11 ONLY

Students will be using an Agenda/Planner in Divisions 1-11. School agendas/planners are a valuable tool for teaching children how to organize and plan for school. While students are not required to have an agenda/planner it is designed to assist students with the skills of organization and time management and is a very useful communication tool often used between teachers and families.

Performance Fee – \$12.00

We are pleased to enrich your child's learning through a wide variety of performances. This supplementary fee supports the school in bringing in talented and professional theatrical and musical performers that align with a particular educational theme. Parent support has made these opportunities possible and we appreciate your continued contribution.

Activity Fee – Approximately \$350 per Student for Grad 7 Camp

Once again we will be offering a Grade 7 Camp for our Grade 7 students in Divisions 1 and 2.

Workbooks – \$20.00

This year some divisions may be offering Practice and Homework Books. This material supplements the classroom math programs. The workbook will be available for purchase from your child's classroom teacher.

The workbook is available for purchase at the cost of \$20. Students are not obligated to purchase the workbook, and may opt to use their copy as a reference textbook instead, meaning the workbook will be returned at the end of the school year for another student to use in the future. Students opting to use the workbook as a textbook will be responsible for ensuring that it remains unmarked and in excellent condition in order to return the workbook at the end of the year.

Field Trips and Supplementary Learning Opportunities – Determined throughout the school year at the classroom level

Throughout the school year your child's teacher may plan supplementary learning opportunities and request monies towards entrance fees, transportation or equipment supplies. Your child's teacher will communicate this information to you directly.

FINANCIAL HARDSHIP

As a reminder, the Vancouver School Board will not deny a child access to the school supplies required for his or her educational program because of financial hardship. Nor will any child be excluded from activities where a fee is charged. ***If at any time there is a financial challenge, please contact the school Principal, [insert name].*** All requests will be treated confidentially.
