## Welcome Back Van Tech Students! Principal's Message

September 2021

Dear Students/Parents/Guardians,

The summer break is quickly coming to an end, and our thoughts are beginning to shift to the 2021/2022 school year. If you are new to Vancouver Technical, welcome to our vibrant and exciting learning community. If you are returning to Vancouver Technical, welcome back!

During the past year, our school has provided students with challenging opportunities that have stretched their learning across the academics, athletics, and the arts. We continue to meet the diverse needs of students through several District programs and Special Education programs.

Parent(s)/guardian(s), dedicated and professional staff, as well as an active and engaged student population, form the most important partnership with the school. Research informs us that the more involved a caregiver is in the life of his or her child, the more successful that child will be. In these times of pressure on parents/guardians to provide for a family, I continue to encourage you to become involved with the school community. There are many ways you can become involved, including joining the Parent Advisory Council (P.A.C.).

Students, I encourage you to become active participants in the valuable opportunities for learning extended through our programs, clubs, Student Council and service activities. The positive engagement of students is reflected in what we believe as a Vancouver Technical school community:

- We do our best to succeed.
- We respect ourselves and others.
- We are responsible for our actions.
- We value the diversity of individuals.
- We create and maintain a safe environment.
- We appreciate the positive things we have in our lives.

Our collective social responsibility offers valuable principles and guides us to be engaged in school life, successful in learning, socially aware, and responsible.

The Covid 19 pandemic has made an impact on our school opening. Rest assured that the safety of students and staff is paramount. We have prepared the school and will have procedures in place that will maintain safety as outlined by the PHO and the Ministry of Education. I hope the summer break has provided you with an opportunity to rejuvenate and that together we will take advantage of the sense of renewal, excitement, and hope that we experience when we return for the start of a new school year.

~ **Roberto Moro, Principal**

### Meet your Grade 8 Counsellor: Mr. Van

Welcome back to school! My name is Nick van Iersel, and I'm excited to be starting with another great group of students at Van Tech after graduating my last batch in June. We'll get to know each other lots over the next few years, as you work towards graduation. I promise to always be in your corner and help you work towards your academic and social-emotional goals.

Building links to students and families, improving student organization, and building positive student connections to Van Tech are the major priorities for me this year with the grade eights.

I would encourage both students and caregivers to join my Remind group, so you get important notifications. To do so, text **@Grad2026b** to **604-670-2253**. Please note, there is also an app for the Remind program if you'd like to download it. Rogers/Fido customers need to use the app or messages won't come through.
